What if I can't get to Shahzada after Pre-Nomination? - Providing that you advise the ride recorder of your withdrawal, you will receive a refund of the entry fee paid less a withdrawal fee. If your pre-ride books have been posted and you don't want a post ride book then the withdrawal fee will be \$10. If the post ride book is also required then the withdrawal fee is \$20. Withdrawals will be refunded (less the appropriate fee) by cheque through the mail after the Shahzada. Refund cheques must be banked within 2 months of the date on the cheque. What is the availability of power? - There is very little power available for campers and then only for low power loads such as lights, battery chargers and electric blankets. Power is **not available** for space heating, boiling water, cooking, pumps etc, use of LPG is suggested for these functions. (Pumps should be 12v battery powered due to starting currents on 240 volt pumps). Power cost is \$40 per camp site. Campers wanting power **must** provide their own **safety switch** and power cables. Campers with generators will be required to locate in special areas, all generators must be very quiet and there will be a curfew on generator operation.

Sick horses ? - Please ensure your horse is fit and healthy before attempting to bring him/her to Shahzada. If your horse is deemed unhealthy by a Shahzada vet you will be asked to remove your horse from the ride base.
